

Carroll County Alternative Learning Center

Board Report – May 2012

1. Ms. Welch is having a good response to her new 12 step program to help deal with dependency for all students in the district after school each Tuesday from 3:00 to 4:00.
2. Mr. Root is also having a good response to his RTI every Tuesday after school from 3:00 to 4:00.
3. Mr. Root's student number days for students in ISS for April were 197 and 1703 for the year.
4. We completed our last painting project for the year and the paintings are on display in the conference room at the board office.
5. We have been holding referral meetings for Middle School and High School students for beginning school next year.
6. Students are making good use of their time in ISS to raise their grades in their classes.
7. Testing is complete for the year and results are very good. MAP scores show most students increasing in all areas, EOC scores were all passing and most were C or above and a good faith effort was earned by most all who took the tests.
8. Mr. Neal is seeing an increase in lessons and classes completed in Novel Stars this semester , the leadership room has been running at full capacity and many students have finished most of their class work.
9. Mr. Root's bucket band ensemble has been featured in the state wide KMEA publication with a two page story and pictures.
10. Ms. Welch is having a good response from the students on her new program called "Minds in Motion".
11. LincolnTech. gave our students a presentation as part of our College- Career Readiness Program.
12. We have completed Parent-student meetings for all students who have failing class grades for the mid-term progress report for the 4th nine weeks.
13. Mr. Root is doing a great job of keeping our website up to date; he makes revisions on a daily basis.
