The Switzerland County YMCA is pleased to offer Swim Lessons to the Summer Learning Program of Carroll County Schools. The program will be offered to 60 students for 10 days. The price for the lessons will be \$30 per student for a total of \$1800.00

Students will attend lessons at the YMCA in Vevay on the following days: July 9-12, July 16-19, and July 23-24. Transportation will be the responsibility of the Summer program. There will be three teachers from Carroll County accompany the students to the YMCA for supervision.

The YMCA will send 2 instructors to Carrollton on June 21 from 9-12PM to administer a swim test for the purpose of grouping the students ahead of the classes to conserve time. The students will be broken into smaller classes so that they will receive level appropriate instruction during class. On Monday and Wednesdays students in grades k-2 will attend and on Tuesdays and Thursdays grades 3-5 will attend.

The YMCA will use the YMCA Progressive swim lesson curriculum for the classes.
