

Special Education – Board Report

May 2012

- Preparations are being made for the 2012-2013 school year. We have looked at caseloads and how we may have to rearrange teachers and instructional assistants to accommodate the number of special education students in each school.
- I attended the End of the Year training in Lexington on April 30th at Grant County. They covered the Special Education Exiting Report, Discipline Reports, Data Standards updates, as well as what's coming up in 2012-2013.
- We are also collecting the Post School Outcome data through the Youth One Year Out (YOYO) Former Student Interviews as mandated by KDE. Interviewing and collecting information from last year's Special Education graduates and getting input on how they are doing.
