This proposal will constitute a contract if signed and accepted by both contracting parties. If for any reason customer decides not to have said job done, 15% of price will be paid for services rendered.

1 1/2% late charge. We accept VISA, MASTERCARD, AMERICAN EXPRESS, AND DISCOVER.

Limited Warranty: We guarantee all work against defects in workmanship and materials for 1 year from date of installation and make no other warranties either expressed or implied. Specifically we caution all prospective buyers against the following conditions that relate to the nature of asphalt paving and are beyond the control of the paving contractor. Expansions type cracks can and in most instances will transfer thru the new overlay. Where existing slope is less than 1.5% puddling may occur. If a puddle is in excess of 1/4" a patch can be attempted at the owner's option. Tight turnaround areas may surface-scuff until fully cured. Finally, in overlays of surfaces ingrown with vegetation, the vegetation may reappear.

One Year Warranty: Warranty becomes null and void if pavement is seal coated or other maintenance is performed by any contractor other than Capital Paving Inc.
