

Dear Staff,

Jeremy Chowning, who owns Chowning Pressure Washing company, has taken us underneath his wing and is challenging small businesses around town to help us build our playground, by donating \$500.00 to our playground/Fall festival. So far... just today..... Jeremy has brought us \$500.00 from his company, \$500.00 from Earl Floyd Ford, and \$500.00 from Cowboy Food Stores. How exciting is that! He is going around and asking friends and company's all on his own because he believes in this project!

[We are calling it..... take the Chowning Challenge!](#)

Jeff, we may have ourselves an article in the making! His daughter is only three.... he wants his daughter to have a nice playground when she gets here. I'm so excited! :)

**Hope you have a wonderful week,
Gerda**
